A Fall Gala

November 13, 2022

Each year 80,000 students, teachers and families participate as active audience members in OFTY's production, and another 5,000 perform onstage alongside OFTY's professional musicians.

All proceeds from
OPERA FOR THE YOUNG®'S
Fall Gala
help ignite excitement
for the arts in elementary
school children in Madison
and across the Midwest.

OFTY (Opera for the Young®) is the gold standard for children's opera outreach in the country.

OFTY's kid-friendly adaptations of opera masterpieces nearly 80,000 students, teachers, and families annually. Our talented artists take professionally designed sets and costumes directly into schools (usually right in the gymnasium!). By doing this, OFTY overcomes geographic, financial, and cultural barriers that would prevent many students (and staff, teachers, and parents) from seeing opera in a theater. Over 5,000 of these children perform alongside OFTY's professional cast, making this unique and entertaining exposure to opera and classical music accessible and memorable.

For a sponsor at any level, this unique marketing opportunity includes:

- Access to a highly desirable target audience- Opera for the Young® is a favorite of Madison's diverse arts community, drawing support from some of its most prominent businesses, individuals, and foundations
- A partnership with Opera for the Young®, including pre-event promotion, coverage in the OFTY FYI eNewsletter, and a presence on the OFTY website, www.ofty.org.
